About Wenatchee

The City of Wenatchee was named after Indian Chief "Wenatchee." Some of the meanings are *water pouring out, boiling waters, good place, and robe of rainbow*. Wenatchee is located just 135 miles east of Seattle and 165 miles west of Spokane, is easy to get to by driving or by flying on Horizon Air. Average daily temperature in November range from highs of 50° to lows of 29°. Go to www.wenatcheevalley.org to find out more about the Wenatchee Valley.
